MEMORANDUM FOR: CHIEF, POLITICAL AND PSYCHOLOGICAL WARFARE

SUBJECT: Proposed Relief of Hungarian Food Shortage.

1. In the opinion of this division, the distribution of free food supplies, to relieve suffering in Hungary, would have an adverse psychological effect in portions of the SE area. Further, distortion of such an effort by Communist propaganda would have additional impact.

2. It is our feeling that, unless and until the hunger of friendly peoples has been appeased, distribution of food to enemies is most unwise. The starving Greek, for example, may certainly be expected to react unfavorably.

25X1A

Acting Chief, SE
